

Raise Funding
Increase Awareness
Amplify The Voices of Experts
Combat Stigmas from the Ground Level

WHO WE ARE

OUR PARTNERSHIP WITH NCH & KMHF

- Supports Nationwide Children's Hospital's Big Lots Behavioral Health Pavilion, the nation's largest pediatric center dedicated to child and adolescent mental health
- Advances the nationwide reach of The Kids' Mental Health Foundation (formerly On Our Sleeves)
- Funds critical research, care, and mental health programming for children and adolescents
- Amplifies expert voices to raise awareness, reduce stigma, and drive change

38

Committed members representing 6 Columbus neighborhoods

94%

Exec retention rate 6 years or more.

100%

Passionate unpaid volunteers - from membership to exec team

"As a grassroots movement, we're able to make an impact by involving our communities to combat stigmas from the ground level. Our success is a direct reflection of our supporters' hope and passion for change in the world of Children's Mental and Behavioral Health."

- Katie Hesketh, BHA Development Team

CREATING A BUZZ AROUND CHILDREN'S MENTAL HEALTH SINCE 2019

The Beehive Alliance is a fully volunteer-led organization dedicated to raising awareness of pediatric mental and behavioral health. We fund programs, resources, and research that strengthen the mental well-being of children nationwide.
